

QSAC SUGGESTIONS FOR THE YEAR 2007

Have you ever wanted to have a QSAC rule or gray area clarified?

Have you ever stated the membership should be more involved in QSAC decision making?

Have you ever thought that the rules favor the Quarter-Scale manufacturers?

Have you ever.....?

Well, here is a very simple form, for you to fill out and mail to the QSAC official in charge of establishing the rules for the year 2007. If you have a suggestion, a change or a problem with the 2006 rules, please write them down on this page now, before you forget. No matter how small your idea may be, please submit it. With your help in this area, we as a club can make 2007 the best Quarter-Scale season ever. QSAC is a club composed of members and a club's success depends upon its membership's participation. Please note that, there will not be any major rule changes for the 2007 racing season, except for manufacturer model number changes and clarifying existing rules and gray areas.
