Well, here is a very simple form, for you to fill out and mail to the QSAC official in charge of establishing the rules for the year 2008. If you have a suggestion, a change or a problem with the 2007 rules, please write them down on this page now, before you forget. No matter how small your idea may be, please submit it. With your help in this area, we as a club can make 2008 the best Quarter-Scale season ever. QSAC is a club composed of members and a club's success depends upon its membership's participation. Please note that, there will <u>not</u> be any major rule changes for the 2008 racing season, except for manufacturer model number changes and clarifying existing rules and gray areas.
Have you ever?
Have you ever thought that the rules favor the Quarter-Scale manufacturers?
Have you ever stated the membership should be more involved in QSAC decision making?
Have you ever wanted to have a QSAC rule or gray area clarified?
