

***QSAC SUGGESTIONS
FOR THE YEAR 20__***

Have you ever wanted to have a QSAC rule or gray area clarified?

Have you ever stated the membership should be more involved in QSAC decision making?

Have you ever thought that the rules favor the Quarter-Scale manufacturers?

Have you ever.....?

Well, here is a very simple form, for you to fill out and mail to the QSAC official in charge of establishing the rules for the next year. If you have a suggestion, a change or a problem with the current rules, please write them down on this page now, before you forget. No matter how small your idea may be, please submit it. With your help in this area, we as a club can make the best Quarter-Scale season ever. QSAC is a club composed of members and a club's success depends upon its membership's participation.
